WORK EXPERIENCE

D&A Smart Solutions Zagreb, Croatia

Web developer

15/11/2024 – Current
- Developed responsive websites and apps with React, Vite, Next.js, and PHP
- Built custom APIs, reservation systems, and Stripe integrations (3D Secure, manual capture)
- Optimized for SEO, mobile-first, and multilingual (i18n) performance with modern UI/UX
- Created interactive dashboards with Chart.js for real-time KPIs (revenue, occupancy, OTA channels)
- Developed a custom Admin Dashboard that automated daily check-in/out logistics, eliminated manual errors, and significantly reduced operational workload
- Managed full development lifecycle plus brand visuals, presentations, and social media

HOBBIES AND INTERESTS

Gym

I train regularly to maintain a healthy lifestyle and shape. This commitment to physical health not only gives me energy to perform my professional duties but also strengthens my mental endurance and confidence in daily challenges. Additionally, the discipline and persistence I develop through regular training carries over to my professional life, helping me achieve my goals and overcome obstacles with the same determination I apply in the gym.
